CONNECTICUT STATE LIBRARY

1931

This volume contains an alphabetical arrangement of baptisms 1752-1831, marriages 1752-1876, deaths 1761-1856 and a few historical facts, 1705-1856, of the town of Hebron, Connecticut as found in a compilation made in 1886 by Will J. Warner and loaned in 1926 to the Connecticut State Library for photostating by William J. Warner, of Hebron. This list was based on cards made from the photostat copy and it is hoped that as errors are found notes will be entered in this book and on the cards which are included in the General Index of Connecticut Vital Records in the possession of the Connecticut State Library.
